Blue Sky Golf Rental™

Agent & Affiliate Partner Programs

Two Ways to Earn by Partnering with Blue Sky Golf Rental

Blue Sky Golf Rental delivers premium golf club rental sets directly to hotels, resorts, and vacation rentals across our U.S. territories. We work with two kinds of partners to help travelers find us: Agents, who book directly on a client's behalf at a discounted rate, and Affiliates, who simply point their audience to our website in exchange for a commission. This guide explains both programs so you can decide which one fits how you work.

The Agent Program

Built for tour operators, golf tour companies, and other businesses that book rental sets directly on behalf of client groups — golf trips, corporate outings, weddings, and similar group travel.

Your Discount Rate

Every agent starts at 8% off retail. From there, your rate is reviewed once a year based on your total bookings over the prior calendar year, with any change taking effect on January 1:

Prior Calendar Year Bookings	Your Discount Rate
Under $25,000	8%
$25,000 – $74,999	10%
$75,000 or more	12%

There's nothing to negotiate — your discount rate is simply a function of your booking volume.

Signing Up

Agents sign the Blue Sky Golf Rental Agent Agreement, which sets out the discount schedule, payment terms, and program rules described here. Once signed, you'll receive a unique login to usa.blueskygolf-rental.com to book directly at your current discount rate.

Payment Terms

Agents are responsible for paying Blue Sky Golf Rental in full for each client's booking. Agents will receive an invoice 30 days prior to the booking delivery date and must be paid before clubs will be delivered.

The Affiliate Program

Open to anyone — bloggers, influencers, social media accounts, golf-related websites, or any other referral source who wants to send visitors to usa.blueskygolf-rental.com. No business license or signed agreement is required to get started.

How It Works

Affiliates receive a unique referral code and trackable links to share through banners, blog posts, social media, or directly with prospective clients. Any booking made through your code or link is automatically tracked back to you — no manual reporting needed.

Your Commission

Affiliates earn a flat 5% commission on the value of every rental booking referred through their code or link. There are no tiers to track — the rate is the same whether you refer one booking or a hundred.

Payment Terms

Commissions are paid out monthly. If your accrued balance is under $100 at month's end, it simply rolls forward and accumulates until it exceeds $100, at which point it's paid.

As with any paid partnership, affiliates should follow FTC guidelines and clearly disclose their relationship with Blue Sky Golf Rental when promoting us. U.S. affiliates earning $600 or more in a calendar year will be asked to complete a Form W-9 so we can issue a Form 1099-NEC, as required by the IRS.

If you regularly book on behalf of client groups, the Agent Program gives you a direct discount every time you book.
